

PRE-SCHOOL EDUCATION

PLACES AVAILABLE AS AT 8 JUNE 2018

This document contains a list of nursery schools, nursery units in primary schools and voluntary and private playgroups and day nurseries, in the Education Authority, which still have funded places available for the 2018/19 school year under the funded Pre-School Education Programme.

Note:

The availability of places may have changed within some settings since the compilation of this list on 8 June 2018. This list does not constitute the offer of a place. It is entirely a matter for parents to decide if any of the remaining places are a viable option for their child.

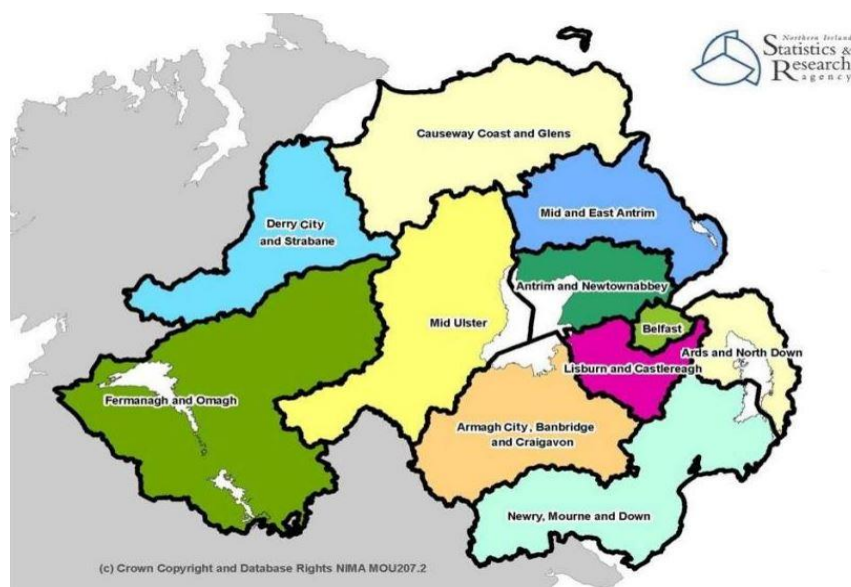

Further details of the pre-school providers listed, including the admissions criteria, are available on the Pre-school Admissions section of this website (www.eani.org.uk/admissions)
