# Workshops #ypfirst18

1

## Promoting positive mental health - EA Young Person's Support Project

This is a partnership project with PHA and EA Youth Service to provide outreach services with vulnerable young people aged 15 - 25 focussing on enhancing protective factors, i.e. resilience, help seeking strategies, signposting to appropriate services and support.

2

## LGBT&Q issues – Gender Jam

This workshop outlines the work of GenderJam NI, who are a voluntary charity run entirely by young people elected by the membership who bring young trans, non-binary, questioning and intersex people together and create resources to help the community in NI.

3

## The voice of young people in decision making – EA Strabane Youth Council

This workshop will be delivered by members of Strabane Youth Council who are developing a resource to be used to train teachers and youth workers on positive mental health. The Mission of the Youth Council is to access and represent the views of local young people on issues of relevance to them, with the intention of influencing/effecting change for the benefit of all young people.

4

## Young people's training for employability – ABCDE – St.Peter's Immaculata

This workshop is a presentation of a project with at risk young people 'Addressing Barriers to Continuing Developmental Education'. The programme addresses three key themes of education, employability and cognitive change.

5

## Volunteering – Scouting Ireland

This workshop showcases Scouting Ireland's 'Youth Led Programme' which involves training that helps Scouters to develop and support programmes that are led by children and young people. The young people involved are supported to take a lead role in designing their own programme.

6

## Youth work in schools – EA Learning Together Programme

This workshop outlines the Learning Together Programme (LTP) which is a Partnership built with schools to deliver programmes for young people who may require additional support or alternative learning routes. The programme offers group work support to Key Stage 3, a GCSE equivalent 'B' Grade qualification at Key Stage 4 and transition support through an accredited Peer Mentoring Programme.
