THE PROCEDURE FOR ADMISSION TO SENIOR HIGH SCHOOLS

1. INTRODUCTION

This document sets out the main steps in the procedure for Admission to Senior High Schools in September 2019 and how parents complete their child's application (**Form P1/19**) to Senior High Schools or other Post-Primary Schools.

Pupils with a Statement of Special Educational Needs have a separate transfer process. The Senior High School placement is discussed with the parent as part of the review of the child's statement.

2. OUTLINE OF THE TWO-TIER SYSTEM

In the Two-Tier System (sometimes known as the Dickson plan) the majority of pupils in the Controlled Sector of the former Craigavon Borough Council and parts of the former Armagh City and District Council area transfer at age 11 years to Controlled Junior High Schools. These schools provide a wide range of courses appropriate to the age, ability and aptitude of all pupils. At the end of Key Stage 3 (age 14 years) after 3 years attendance at a Controlled Junior High School (Secondary) pupils transfer to other schools to complete their compulsory education in Key Stage 4. Pupils are selected for admission to Senior High Schools in accordance with the admissions criteria established by each school's Board of Governors.

3. SCHOOLS IN THE TWO-TIER SYSTEM

Controlled Junior High Schools		Controlled Senior High Schools	
	Age Group		Age Group
Clounagh Junior High School	(11 – 14)	Craigavon Senior High School	(14 – 16)
Killicomaine Junior High School	(11 – 14)	Lurgan College	(14 – 18)
Lurgan Junior High School	(11 – 14)	Portadown College	(14 – 18)
Tandragee Junior High School	(11 – 14)		

4. SCHOOLS OUTSIDE THE TWO-TIER SYSTEM

The majority of pupils transfer from a Controlled Junior High School to a Senior High School. However, parents may apply to a post-primary school other than a Senior High School for a place in Key Stage 4 for their child.

Some schools in the former Craigavon Borough Council area are not part of the Two-Tier System and retain their pupils beyond the age of 14. Pupils may leave at the age of 16 (end of Year 12) or stay at school until the age of 18 (end of Year 14). The schools are:

Brownlow Integrated College, Craigavon	Controlled Integrated
Lismore Comprehensive, Craigavon	Catholic Maintained
St Ronan's College, Lurgan	Voluntary Grammar

Information on Post-Primary Schools is available on the Education Authority (EA) website at www.eani.org.uk/admissions

5. ARRANGEMENTS FOR ADMISSION TO YEAR 11 IN SEPTEMBER 2019

5.1 Applications on behalf of pupils attending Controlled Junior High Schools

An application form will be issued to parents of pupils transferring at the end of Year 10 from Controlled Junior High Schools. The completed form should be returned to the Junior High School not later than **Monday 11 February 2019**.

Preferences for schools outside the Two-Tier System should also be listed on Form P1/19. Please note that these applications will be considered in accordance with the key dates for the procedure for Transfer from Controlled Junior High Schools as set out below.

7. THE ROLE OF PARENTS

Each school has a maximum number of available places; therefore, no child can be guaranteed a place in any particular school.

If a school has more applicants than available places then the Board of Governors of the school will use the school's admission criteria to identify which pupils are to be admitted. The information about your child that you provide when completing the application form will be what the school will use to see how your child meets the admissions criteria.

Parents have a very important role to play in the 14+ transfer process in helping your child decide at which schools he/she will seek a place and complete your child's application to these schools on **Form P1/19**.

You should:

- Carefully read the admissions criteria for each school you are considering.
- Think about how these criteria might apply to your child.
- Think about what information you should provide when completing your child's application form.

8. THE ROLE OF THE EDUCATION AUTHORITY

The Education Authority (EA) does not place children in Senior High Schools or other Post-Primary Schools (except children for whom it is maintaining Statements of Special Educational Needs) but administers and co-ordinates the procedure and will facilitate the expression of parental preferences. The EA has the duty to publish particulars of the arrangements for the admission of children to schools and to appoint members of an Independent Appeal Tribunal.

9. THE ROLE OF THE DEPARTMENT OF EDUCATION

The Department of Education offers comprehensive guidance to schools on the admissions process. The Department sets the admissions and enrolment numbers for each school in accordance with the Education Order, 1997 (Articles 11 and 12).

10. ADMISSIONS TO SCHOOLS INCLUDING THE ROLE OF THE BOARD OF GOVERNORS OF THE SENIOR HIGH SCHOOLS

If a school's admissions number is greater than the number of applications which it receives; all such applicants will be offered places.

In the event of the number of applications being greater than a school's admissions number the Board of Governors will apply the school's published admissions criteria to all such applicants to determine which children will be offered places up to the school's admission number. Responsibility for drawing up and applying a school's admissions criteria rests with the Board of Governors. The criteria must include the order of priority for the admission of pupils; and admissions criteria shall provide that all children resident in Northern Ireland at the time of their proposed admission must be selected for admission before any child not so resident may be selected.

If your child is not accepted by your first preference school Form P1/19 and any documents you have attached to the form will be sent to your second preference school. The process, already described, will be repeated until all preferences have been considered. Places will be allocated to those who best meet the schools' admission criteria.

11. PLACEMENT LETTERS

A letter will be posted by a school to you on **Friday 10 May 2019** to advise you of the school in which your child has been placed. Schools are not permitted to tell you the outcome before this date.

If your child does not get a place you will receive a letter from the EA to advise you of this and you will be asked to nominate further schools.

12. WAITING LISTS

Please refer to each individual school's policy if you wish your child's name to be placed on a waiting list should a vacancy arise in an over-subscribed school after Friday 10 May 2019.

13. APPEALS AGAINST SCHOOL PLACEMENT

Can I appeal if my child does not get a place in a school of my choice? If your child has not been accepted by a school which has considered the application during the admissions procedure you may appeal the decision of the Board of Governors. Independent tribunals will be established to consider appeals. These tribunals will decide on whether or not a school has correctly applied its admissions criteria in deciding to refuse the child admission to the school. The actual substance of the criteria cannot be challenged in the appeal tribunal.

You will be advised of your right to appeal against Boards of Governors' decisions at the time of notification of school placement.

If you wish to appeal the decision of a Board of Governors of a school in not accepting your child, you should notify The Clerk to the Tribunal (Post-Primary), c/o the Education Authority, Armagh Office in writing or by emailing seniorhighadmissions@eani.org.uk by **4.00 pm Friday 24 May 2019** indicating your intention to appeal. Please state the name and date of birth of the child and the name of the school(s) you wish to appeal against. If your e-mail indicating your intention to appeal is not received by this date and time it will not be processed. All e-mails received will be acknowledged. The contact details for the EA are provided on page 9.

An Appeal Form and details of the Appeals Procedure will be issued to you on receipt of your written intention to appeal.

An Appeal Tribunal considers the evidence that was available to the Board of Governors of a school at the time it was making its decision on admissions to the school. It should be noted that any additional information, which was not available to the Board of Governors at the time of the allocation of places, cannot be taken into account by an Independent Appeal Tribunal.

An Appeal can only be upheld if a Tribunal finds that the admissions criteria were not applied or not correctly applied and that if the admissions criteria had been correctly applied by the school, the child would have been admitted to the school within the admissions number for the school.

14. EXCEPTIONAL CIRCUMSTANCES

The **Placement Letter** issued to you on Friday 10 May 2019 will tell you in which Senior High School or other Post-Primary School your child has been placed. If your child has not been placed

in the school to which you feel they must, for compelling and **exceptional** reasons, be admitted, you can apply to have your child's case considered by the Exceptional Circumstances Body.

Please note that, by law, the Exceptional Circumstances Body may not regard the following as exceptional circumstances requiring the admission of a child to a particular school:

- circumstances related wholly or mainly to the kind of education provided at that school;
- circumstances related to a child's academic ability; or
- circumstances related wholly or mainly to the availability of transport to that school.

A claim of Exceptional Circumstances can only be considered after you have applied to the Senior High School or Post-Primary School through the normal admissions process and been refused a place. Claims for Exceptional Circumstances can be considered at the same time, though separately, from admissions appeals.

Advice about how to obtain detailed information about the Exceptional Circumstances process, including how to apply to have your case considered, will be included in the **Placement Letter**.

OTHER INFORMATION RELATING TO ADMISSION TO SENIOR HIGH SCHOOLS

15. NON FEE-PAYING PLACES

Pupils admitted to the secondary departments of grammar schools who reside in Northern Ireland, with their parents, or whose parents, though not resident in Northern Ireland, are nationals of an EU member State, will not have to pay tuition fees. The admission of other pupils liable to pay fees will be a matter for individual schools to decide acting within their admissions criteria and their admissions and enrolment numbers. The admission of pupils resident in the Republic of Ireland will also be a matter for individual schools to decide upon but any such pupils admitted to a grammar school will continue to be liable to pay tuition fees. Such pupils can only be considered for admission if there are places available after all Northern Ireland pupils seeking places have been placed. However voluntary schools are entitled to charge a capital fee.

16. ADMISSION TO YEARS 12 TO 14

Where parents wish to transfer their child from one post-primary school to another they should complete an official application form (AP1 Form) which is available on the EA website www.eani.org.uk/admissions. The school will then make a decision as to whether or not it can admit the child using its admissions criteria if necessary. Schools may not admit a child if this means exceeding the enrolment number of the school. A school is also entitled to refuse admission if the admission of a child would be prejudicial to the efficient use of resources but must act reasonably in applying this consideration. In these circumstances you should be advised of your right of complaint. If applying for a Year 12 place.

17. TRANSPORT ASSISTANCE TO POST-PRIMARY SCHOOLS

Information in relation to eligibility for transport assistance can be accessed on the EA website at <https://www.eani.org.uk/help-available/home-to-school-transport>. All applications for transport must be made online via the EA's website.

18. SCHOOL MEALS, SCHOOL UNIFORM/PHYSICAL EDUCATION CLOTHING ALLOWANCE
