

PRE-SCHOOL EDUCATION

PLACES AVAILABLE AS AT 11 JUNE 2019

This document contains a list of nursery schools, nursery units in primary schools and voluntary and private playgroups and day nurseries, in the Education Authority, which still have funded places available for the 2019/20 school year under the funded Pre-School Education Programme.

Note:

The availability of places may have changed within some settings since the compilation of this list on 11 June 2019. This list does not constitute the offer of a place. It is entirely a matter for parents to decide if any of the remaining places are a viable option for their child.

Further details of the pre-school providers listed, including the admissions criteria, are available on the Pre-school Admissions section of this website (www.eani.org.uk/admissions)

Additional places in a funded playgroup setting cannot be granted for children who have already been offered a funded place during the admissions process.

In this document the following mean as follows:

PT = Part Time FT = Full Time

NS = Nursery School

PG = Playgroup (Voluntary/Private provider participating in the Pre-School Education Programme)

PS NU = Primary School with Nursery Unit

Some Nursery Schools/Nursery Units offer Full-Time / Part-Time education provision. Where a provider in this case offers Full-time but now full you may wish to check if they have part-time places available. You should check the admissions criteria of the provider you are choosing to identify what provision a provider listed in this document offers or you can contact the provider to check. The admissions criteria can be accessed under www.eani.org.uk/admissions -- Find a Pre-School and read the admissions criteria. It is important that you read the admissions criteria as well to see if the provider is requiring any documentation from you with your application or even to see how they will apply their criteria which may assist you when stating your reasons for the preference on your form.

*****A parent of a child born on or between 2 July 2016 and 1 July 2017 can only apply for a funded place in a Nursery School/Unit.***
