This activity can be used to reinforce reading and understanding digital time, up to 'half past'. The object of this game is see who can complete a full card of BINGO and win a prize! Ideas for a prize could be linked to time, e.g. 10 minutes on PS4, 10 minutes watching Youtube, etc.

**Resources:**

- Bingo Cards
- Poly Pockets
- Stones to use as BINGO balls
- Big bowl
- Whiteboard pens
- Calling page
- 2 or more players

**Instructions:**

- Collect 20 stones and record the times from the calling page on the stones
- Print out Bingo cards and place in a Poly pocket
- Each player to take a pen
- Put stones in a big bowl
- Call out the first time, e.g. ten o'clock and show the stone to your child
- Child marks an X on their card (if they have that time on their card)
- Continue until you have a clear winner. The first person to complete the board shouts 'BINGO!'

**Alternative:** Write out the times below on a piece of paper and use the instructions as above.
