Go back to the shop you forgot your bag.

My Day Time Game

Stop at the shops. Miss a go.
My Day Time Game

You will need an analogue teaching clock with moveable hands and a dice.

- Each player starts at breakfast.
- Roll your dice and move onto the board.
- Read the time on the circle you land on.
- Create this time with your clock.
- If you get both correct, stay on your circle. If you get either wrong, move back to your previous position.
- The winner is the first person to go to sleep!
