Welcome to the Toy Shop!

**WALT:** Use values up to 20p to buy and sell the items within your shop.

**Role Play:**

Play 'shop' to encourage and support your child with using money, to 20p. Your child should begin by being the shopper and you can be the shopkeeper! Encourage your child to make given amount of money and in a variety of ways. Model and emphasise language such as 'total', 'change', 'receipt', 'please' and 'thank you'.
Task:

- Choose an area within your house to set up as the 'Toy Shop'.
- Design a shop name on a large piece of paper or card.
- Gather toys that can be sold within your shop, e.g. dolly, tennis racket, train, Jack-in-the-Box, slinky, books, a skipping rope, etc.
- Attach price labels to the toys that are for sale. These should range from 1p up to 20p, (See Resource 1).
- Use a box to act as a till and place a range of real coins inside your child’s purse/bag, up to 20p.
- Use scraps of paper to write receipts.
- Use recycle bags for carrying your purchases and these could be available to purchase for 5p. (Or design your own bag on a brown paper bags.)

Resources:

- Range of toys
- Selection of coins
- Box or till
- Recyclable bags/paper bags
- Pens/pencil
- Scrap Paper
- Purse/wallet/money bags
- Price labels
- Card

Extension: You can increase the cost of items, depending on your child’s ability, or find the cost of two items, etc.
