

Asking for help

At home, I have fun and play with lots of my toys.

I enjoy having a snack.

After snack I may ask for help to go to the toilet.

I can use the toilet symbol and say "I need the toilet" and give it to my parent.

When I am playing, I may need the toilet.

It is OK to ask an adult for help.

When I have used the toilet, my tummy will feel better and my mum or dad will be happy with me.
