

PRE-SCHOOL EDUCATION

FUNDED PLACES AVAILABLE AS AT 28 APRIL 2021

This document contains a list of nursery schools, nursery units in primary schools and voluntary and private playgroups and day nurseries, which still have funded places available for the 2021/2022 school year under the funded Pre-School Education Programme.

Note:

The availability of places may have changed within some settings since the compilation of this list on 28 April 2021. This list does not constitute the offer of a place. It is entirely a matter for parents to decide if any of the remaining places are a viable option for their child.

Further details of the pre-school providers listed, including the admissions criteria, are available on the Pre-school Admissions section of this website ([Education Authority Website](#)).

A **Pre-School online application** will be available on the EA website from 29 April. In the meantime study the lists of pre-schools, their published admissions criteria, FAQs/'What to do now leaflet' also available on our website.

(You will need the name of the pre-school below for entering on your application. When reading the admissions criteria check if any pre-school requires supporting documentation which you can upload for your application).

IMPORTANT: Additional funded places will not be made available for any child whose offer of a funded place has been refused

In this document the following mean as follows:

PT = Part Time

FT = Full Time

NS = Nursery School

PG = Playgroup (Voluntary/Private provider participating in the Pre-School Education Programme)

PS NU = Primary School with Nursery Unit

Some Nursery Schools/Nursery Units offer Full-Time / Part-Time education provision. Where a provider in this case offers Full-time but now full you may wish to check if they have part-time places available. It is important that you read the admissions criteria of the provider available.
